I've have **six years** of UX design and marketing experience, with a focus on PLG strategies.

I recently co-built the first growth design team at <u>MailerLite</u>. In the past, I oversaw UX design for <u>Pacific</u> <u>Outdoor Living</u> and their MVP contracting software. I also worked with nonprofits such as <u>CFNY</u> and <u>Color Of Change</u>.

I am <u>Google UX Certified</u>, am currently enrolled in the <u>Reforge Growth Series</u>, and recently completed the Growth <u>Design School</u>, a cohort started by some of the best design minds in PLG.
